

## **The Panel Discussion by the Final Assessment Jurors Has Been Canceled.**

In light of the immigration restrictions by the Japanese government and other difficulties due to the COVID-19 outbreak, the executive committee has decided that the final assessment of the International Exhibition of Glass Kanazawa 2022, which was scheduled on Thursday June 23<sup>rd</sup>, should be held remotely, with the foreign jurors not having to come to Japan.

For this reason, it has become difficult to hold the panel discussion by the final assessment jurors scheduled on the next day of the final assessment. Thus, much to our regret, we have decided to cancel the panel discussion and disclosure of the final results in there.

The final results will be announced on our official website on Monday June 27<sup>th</sup>, 2022.
